Give Praise for God's protection over David & Elizabeth Dorse's daughter Bonnie & grandson Malachi, injured when a car ran off a cliff onto a Newcastle beach on Thursday. Pray for Bonnie's recovery from a broken hip and pray for peace & comfort in the aftermath of the incident.

Praise God that PNG's Prime Minister declared PNG a Christian Country on their Independence Day – 16th September

Let us rejoice with the people of PNG as they celebrate and give thanks for God's goodness over 45 years.

Praise God that Jose has extra hours at the local schools, continue to pray for him and all who go to students to give mental assistance and Godly help for each situation they encounter.

Thank God for a little more movement around Australia and openings for visits to nursing homes.

Give thanks for God's holy Word to give us light to our path.

Day of prayer called for all nations. This day we are asked to pray in repentance for renewal for Australia, for Scott Morrison plus parliamentary members, churches, unbelievers to be brought to faith in Christ Jesus and to praise and worship God the Father, God the Son and God the Holy Spirit. Pray that God will uphold year 12 students as they prepare and sit their final exams.

Pray for peace in Jerusalem and the Middle East.

Pray for grace and courage and new depth of commitment for members of FTPC who are having doubts and anxiety during COVID19 and the changes to the way we meet and listen to our services.

Pray for hearts to be open to the sermon from Vaughan today.

May ACL be given strength and wisdom as they stand for Godly standards.

Pray for unbelieving family members to be drawn to the foot of the cross to truth and salvation.

Let us lift up those unwell or in difficult situations, for comfort and care.

NOTICES

******Please note that the 1.5 metre rule applies inside the building and outside.******

Current restrictions effectively prevent any form of group evangelism. Session therefore would like to encourage all members of the congregation to engage in one to one evangelism to reach into the community. Offering to read the Bible with others is very effective.

Daylight savings begins next week, remember to put your clocks forward 1 hr next Saturday night.

Don't forget your shoeboxes, due next month. Notice will be given as to the pick up date when we are notified.

*If anyone has information for the bulletin please let Kay Worley know by midday Friday by email krworley@bigpond.com (with subject "**Bulletin**" please)
